eXtplorer - PHP-based File Manager - Fehler #202

Archive Extract

07/01/2016 09:20 AM - Craig Lawrie

Status:	Gelöst		
Priority:	Normal		
Assignee:			
Category:			
Target version:	2.1.10		
eXtplorer Version:	2.1.4	**Joomla! Version:**	none

Description

Users with read only permissions are still able to extract archives.
In my opinion, this should not be allowed.

History

#1 - 12/10/2016 10:34 PM - Sören Eberhardt-Biermann

- Status changed from Neu to Gelöst

- Target version set to 2.1.10

will be fixed in the next version
