- File CVE-2016-431.patch added

Suggested patch attached. I would use

extpath::check

but that unfortunately also checks whether the destination is outside of

EXT\_PATH

.

#2 - 12/10/2016 10:21 PM - Sören Eberhardt-Biermann

- Status changed from Neu to Gelöst

- Target version set to 2.1.10

thanks for providing the report and the patch!
