Description

I've uninstalled the extension and tried the most recent one 2.1.0 and 2.1.0RC5. Can't get any of them to work now.

I keep getting these errors:
Notice: Uninitialized string offset: 0 in /home/thinktre/public_html/administrator/components/com_extplorer/include/functions.php on line 107

Notice: Uninitialized string offset: 0 in /home/thinktre/public_html/administrator/components/com_extplorer/include/functions.php on line 107
Back to Joomla!   eXtplorer Logo   Current mode: ftp [Logout]. You could switch to extplorer mode.

Notice: Undefined variable: authentication_type in /home/thinktre/public_html/administrator/components/com_extplorer/include/login.php on line 57
Back to Joomla!   eXtplorer Logo   Current mode: ftp [Logout]. You could switch to extplorer mode.

Notice: Undefined index: FTPCONNECTION in /home/thinktre/public_html/administrator/components/com_extplorer/admin.extplorer.php on line 198
